Ref: Letter of Support

Dear Ms. Britt,

As manager of a small municipality I have experienced numerous situations requiring professional assistance from organizations such as the West Virginia Rural Water Association. In both our water and wastewater systems we have struggled financially and in personnel with the expertise to fulfill special utility operations.

We have worked with numerous members of your staff over the years and it has always been a tremendous success. The knowledge and effort your staff contributes each and every time they have been here demonstrates a professional program that provides an invaluable service. I would like to make special recognition to Mr. Jack McIntosh, Mr. Clay Lutz, Mr. Mike Hersman and Jeff Martin who have prided themselves in providing accurate professional services to our community.

On behalf of the Town of Anmoore, its citizens, and employees I extend our deepest appreciation for the assistance you have provided over the years and look forward to many more.

Respectfully,

Christopher T. Magee, Manager
Town of Anmoore
