Debbie Britt
100 Young St
Scott Depot, WV 25560

Dear Madam:

On behalf of this District and our Board of Directors, we would like to extend our sincere thanks to Will Miller and the Rural Water Association for Mr. Miller's help with leak detection on February 20 and 21, 2008. With Mr. Miller's help, our maintenance personnel was able to find a couple meters not registering and one small leak near a meter well. This will surely improve our unaccountable water loss.

We greatly appreciate all the assistance that Mr. Miller has provided this District and we enjoy working with him.

Sincerely,

Jennifer Traub, Chief Operator
Clay Roane PSD
