P.O. BOX 228  
HENDRICKS, WV 26271**

March 31, 2009

WV Rural Water Association  
100 Young Street  
Scott Depot, WV 25560

Dear Staff & Matt:

On behalf of the Hamrick Public Service District Board of Directors and Staff, we would like to extend our thanks to Matt Lamp and the Rural Water Association for your help with leak detection on March 9, 2009. With Matt's help and expertise the District was able to find a leak on a ¾" service line that was losing approximately 20,000 gallons per day. May not sound like a lot of loss however at a system that produces 200 gpm it is. This has improved our pump time by over 1.5 hour per day.

We appreciate all the assistance that Matt has provided to our District and I enjoyed working with him.

With Sincere Thanks,

Michael G. Helmick  
General Manager  
Hamrick Public Service District
