Scott Depot, WV 25560**

The Enlarged Hepzibah Public Service District is proud to be a member of your association. Jeff Martin has always been available when needed to assist our Enlarged Hepzibah Public Service District, both in our field operations and his expertise on the computer. He has saved our programs on several occasions and has always work on a very personnel basis.

You should be very happy to have an employee, like Jeff who can help members of your organization.

Our sincere thanks to the West Virginia Rural Water Association.

Sincerely

**Howard C. Mall
Manager**
