Dear Ms. Britt,

I would like to express our gratitude for the excellent services provided by Mr. Jeff Martin of your staff. Mr. Martin has been extremely helpful and informative regarding several issues we have encountered throughout the past including but not limited to questions about our lift stations, obtaining camera footage of our lines and helping us locate manholes in our system.

Again, we would just like to stress how much we truly appreciate Mr. Martin and the rest of the staff of WVRWA for their hard work and dedication.

Sincerely,

Alexis Porter, General Manager
